

Lee County Multi-Jurisdictional All Hazards Mitigation Planning Committee

Mission Statement

The mission of the Lee County Multi-Jurisdictional All Hazards Mitigation Plan Committee is to develop a mitigation plan that can reduce the negative impacts of natural and man-made hazards on citizens, infrastructure, private property and critical facilities.

Purpose of the Committee

- Create a plan that identifies activities and projects that participating municipalities and Lee County can pursue before a natural or man-made hazard occurs to protect lives and property.
- Encourage adoption of an All Hazards Mitigation Plan by the County and participating municipalities.
